Profile Summary

Senior UI/UX Designer with 10+ years of experience in designing and delivering user-centric digital products. Proven ability to shape experiences for enterprise SaaS and data-heavy products. Highly skilled in conducting UX research and building scalable design systems. Strong ability to align business goals with user needs to create impactful, optimized experiences.

Work Experience

Senior UI/UX Designer
Papyrus Software | Vienna, Austria | January 2023–Present

- Transformed a complex reporting tool into a user-centric dashboard, focusing on modern UI standards to enhance usability and data visualization clarity.
- Conducted user research to identify pain points and inform design decisions, leading to more user-centered and effective solutions
- Created custom icons and improved CSS styling to enhance usability and performance.

Senior UI/UX Designer
Golrang System | Tehran, Iran | October 2020–July 2022

- Experienced in designing SaaS products, with a strong emphasis on usability, scalability, and modern design practices.
- Developed a scalable Design System and UI guidelines for Okala.com, streamlining the workflow with reusable components.
- Led the UI/UX design of payment apps (iOS & Android) for Iran's largest retail chain (Note: Portfolio will focus on enterprise work as requested by Dynatrace).

UI/UX Designer
Rahyab Rayan Farda | Tehran, Iran | June 2016 – October 2020

- Designed dashboards and POS device interfaces for Ayandeh Bank.
- Optimized usability for 3+ applications, improving task completion rates and user satisfaction.
- Conducted UX research, persona development, and usability testing for finance and food delivery apps.

Web Designer & Graphic Designer
Mosallas Design | Tehran, Iran | February 2008 – June 2016

- Created and optimized user journeys for e-commerce and exchange websites
- Delivered 20+ prototypes with analytics-driven improvements to increase conversion rates.
- Produced branding, marketing assets, and WordPress solutions for clients.

Certificates

(Institute: Coursera)
